Dear Parents,

On behalf of the Chinese American Abacus Association (CAAA), I would like to invite you and your family to attend this year's World City Cup Event! CAAA founded the inaugural World City Cup Competition in 2002 and returned as host in 2008. The 2015 event will be the third World City Cup hosted by CAAA.

The 2015 World City Cup Competition will be held in the San Francisco Bay Area in July. Participating students will compete in 3 categories: abacus, mental arithmetic and mathematics. In addition to a day of competition, overseas and local instructors will gather and share their insights and expertise to further spread and improve abacus education and cultural awareness. We need your help to make these events a success!

CAAA is a 501(c)(3) non-profit organization and your donations are tax-deductible. Donations (cash or check) may be submitted with the stub below to your child(ren)'s teacher or mailed to us at the address above. Receipts will be sent to you in care of your child(ren)'s teacher or by mail. Thank you for your support. We sincerely appreciate your contribution to our organization.

Sincerely,

Jenny Lin
President
Chinese American Abacus Association
