Dear Friends of the Chinese American Abacus Association,

On behalf of the Chinese American Abacus Association (“CAAA”), I would like to invite you and your family to attend this year’s remarkable summer events! They include our CAAA Teacher Training Camp, a week-long Cultural Exchange and Language Summer Camp to be held in San Jose, CA, as well as the 2008 World City Cup Abacus, Mental Arithmetic & Mathematics Competitions which will be hosted by us right here in California. Because of wonderful supporters such as yourself, CAAA is able to promote abacus and mental math education hand-in-hand with cultural awareness here in the United States.

CAAA will be hosting this summer’s special events in the San Francisco Bay Area, and we need lots of help to ensure success! Our students are encouraged to register for the World City Cup – there are 3 categories of competition: abacus, mental arithmetic and mathematics. In addition to the competition with the visiting teams from overseas, there will be a weeklong day camp with the visiting competitors which will offer a wide variety of fun cultural exchange activities. We hope you will join us!

We are currently seeking corporate sponsors and donors to help us make these events great.

As an organization that embraces diverse occupations, cultures, and individuals, we believe that the CAAA can serve as a persuasive medium by which individuals, small businesses, and corporations can contribute to and benefit a strong, caring and successful community. We strongly believe that exposure of your corporate name and/or products at our events, either in the form of advertising, raffle prizes or event sponsorship, will offer access to a highly educated, diverse and economically powerful consumer base. CAAA is a federally registered 501(c)(3) non-profit organization and donations are tax-deductible.

We are reaching out to you to support our projects. We are looking for a variety of donations, and are very grateful for your kind consideration. Please do not hesitate to contact us if you have any questions at all. We sincerely appreciate your contribution to our organization and our mission, and look forward to your response.

Sincerely,

Huey Chiang Huang
President
Chinese American Abacus Association
