

CAAA 2025 International Events

Dear Students, Parents, Teachers, and Friends,

CAAA would like to invite you and your child(ren) to join us in attending four exciting international events this year, including a summer camp, cultural trips, and abacus and mental arithmetic competitions. These events are designed to enhance students' interest in the abacus, provide them with more exposure to the world, and offer a unique opportunity for international cultural exchange. Participants will enjoy an enriching and memorable summer experience filled with learning, exploration, and fun.

Teachers accompanying the trips will also have the opportunity to attend seminars and discuss the latest innovations in teaching methodology with educators from around the world.

Here are the details of the 2025 events:

A. 2025 Abacus & Culture Summer Camp

Date: July 14-20, 2025

Location: Beijing, China

This summer camp is open to everyone, including students and parents. It offers a wonderful opportunity to learn abacus techniques while exploring Chinese culture. The camp includes expert-led classes, cultural activities, and sightseeing, making it a truly enriching experience for all participants.

Prerequisites:

- Everyone is welcome to join.
 - If parents are not accompanying the student, the student must be at least 12 years old.
